1- The Building

More Than a Building

▶ 3WTC will power your company to the next level.

The Elevator Lobby at 3WTC

Convenience on a Grand Scale

The soaring lobby provides direct in-building access to 12 subways and adjacent retail.

Greater Outdoors

The expansive, 5,000-square-foot terrace on the 17th floor is one of the largest terraces in NYC. While enjoying the fresh air, tenants can take a quick break, catch up on some work, or connect over a latté at the wifi-enabled Terrace Café.

Open, Light-Filled Spaces

The column-free structure allows for infinitely customizable layouts and inspiring work spaces, while the floor-to-ceiling windows saturate every corner of the floor with natural light.

Views That Never Get Old

Everything On Tap

World Trade Center tenants enjoy convenient, contactless access to the buildings' main entrances, amenities, and other tenant-exclusive spaces via their iPhone or Apple Watch, simply by adding their access badge to Apple Wallet.

WTC Tax and Energy Incentives

As-of-right incentives are available only to World Trade Center tenants.

Program	Per Rsf Per Annum	Other Savings:
Commercial Rent Tax Abatement	\$3.75	<p>Efficiency The efficiency of the floor plates at the World Trade Center buildings allows tenants to fit their office space program into 5% to 10% less space than would be required in other buildings. This reduction in square footage translates directly into a significant savings of 5% to 10% in both rent cost and fit-out cost.</p>
Sales Tax Exemption	\$1.50	Description Of As-Of-Right Incentives:
NYPA Power	\$1.00	<p>Commercial Rent Tax Abatement Tenants are exempt from Commercial Rent Tax for the entire term of the lease. Commercial office tenants in NYC pay a Commercial Rent Tax equal to 3.9% of gross rent. The benefit has no term limits, and is expected to save tenants \$3.00 to \$3.50 per RSF per annum.</p>
RE Taxes & PILOT	\$3.00	<p>NYPA Power The building receives electricity from the New York Power Authority at discounted rates. This benefit has no term limit. Based on current utility rates, tenants at 3WTC today would enjoy a savings of approximately 30% off of standard Con Edison rates (an annual benefit of \$1.00 to \$1.50 per RSF versus other buildings).</p>
Total Savings/RSF/Year	\$9.25	<p>Sales Tax Rebate Tenants are exempt from sales tax on materials purchased in connection with their initial fit-out, including any fixtures, furniture and equipment. The sales tax savings is estimated to be \$10.00 to \$15.00 per RSF, which corresponds to a rental savings of approximately \$1.00 to \$1.50 per RSF per annum.</p>
		<p>RE Taxes & PILOT Manufacturing, industrial, and not-for-profit companies may receive property tax incentives through agreements with government agencies. The two agencies that issue these agreements are NYC Industrial Development Agency (IDA) and NYC Economic Development Corporation (EDC). Through these agreements, properties are exempt from property taxes and instead make a Payment in Lieu of Taxes (PILOT).</p>
